

Forging Ahead

employment support service

How it works:

- An employment specialist will identify and recommend candidates for your business.
- Each individual will be skill-matched and ready for work.
- No agency or recruitment fees will be involved at any stage of the process.

How you benefit:

- Reach an already motivated workforce of local people that are eager to work.
- Create a flexible, valuable workforce that suits the changing demands of your business needs.
- Receive free, ongoing support from your dedicated IPS Specialist for every member of staff you employ through us.
