

## FREE RECRUITMENT SOLUTIONS AND SUPPORT

We match individuals with the skills and experience to your specifications and business needs.

### What do we offer?

- An employment specialist will identify and recommend candidates for your business.
- Each individual recommended to you by an Employment Specialist will be skill-matched to meet your recruitment needs and be ready for work.
- No agency or recruitment fees will be involved at any stage of the process.

**We can provide on-going support to employers and staff at every stage of the process.**

### How you benefit:

- Reach an already motivated workforce of local people that are eager to work.
- Create a flexible, valuable workforce that suits the changing demands of your business needs.
- Receive free, ongoing support from your dedicated IPS Employment Specialist for every member of staff you employ through us.
- Increased diversity and inclusion in the workplace.
- Improved job retention rates due to our in-work support services.
- Enhanced reputation as a socially responsible employer.
