

Individual Placement and Support: Forging Ahead

Providing tailored support to find suitable employment quickly.

What do we offer?

- A plan that is individual and personalised.
- Focusing on your goals and skills to find what is right for you.
- Regular meetings, one-to-one support, advice and guidance through each stage of your employment journey.
- Benefits advice.
- CV writing support and Interview preparation.
- Finding local employers and businesses that will be a good match for you.
- In-work support following successful recruitment.

Have any questions? Looking for more information?

Please ask a Recovery Worker or an Employment Specialist for more information.

Recovery workers can support your referral or you can complete a self referral and return to a member of staff
